

With your support, we can transform our vision into a reality

Your committed and sustained support has been instrumental in making **SIUT** the largest **urology, nephrology, lithotripsy, dialysis, transplantation** and **oncology** centre in South Asia.

16-year old **Dadla** came to SIUT in 2010; he was diagnosed with **kidney failure**, and placed on dialysis for six years. Earlier this year, he underwent a **kidney transplant**. Like all transplant patients at SIUT, he continues to receive medication to remain healthy.

Cost of **Dadla's** treatment: **Rs 750,000**
Ongoing treatment costs: **Rs 200,000 per year**
Expenses borne by Dadla: **Rs 0**

To make a **donation** or to give your **Zakat to SIUT**, log on to **www.siut.org** or call **111-DONATE (111-366-283)**.
