

## With your support, we can transform our vision into a reality

Your committed and sustained support has been instrumental in making **SIUT** the largest **urology, nephrology, lithotripsy, dialysis, transplantation and oncology** centre in South Asia.

Nine-year-old **Ahsan** came to SIUT in 2013, where he was diagnosed with **liver failure**. In 2015, he underwent a **liver transplant**. Like all transplant patients at SIUT, he continues to receive free medication to remain healthy.

Cost of **Ahsan's** treatment: **Rs. 1.8 million**  
Ongoing treatment costs: **Rs. 750,000 per year**  
Expenses borne by **Ahsan**: **Rs 0**

To make a **donation** or to give your **Zakat to SIUT**, log on to **www.siut.org** or call **111-DONATE (111-366-283)**.

We have treated over 1 million patients operated with conventional and laparoscopic surgeries

**Our vision:**  
To move towards robotics surgery

**44 YEARS. 1 CRORE PATIENTS TREATED. FREE WITH DIGNITY.**
