

# With your support, we can transform our vision into a reality

Your committed and sustained support has been instrumental in making **SIUT** the largest **urology, nephrology, lithotripsy, dialysis, transplantation** and **oncology** centre in South Asia.

Fifty-three-year-old **Jan Mohammad** came to SIUT in 2000; he was diagnosed with kidney failure, and underwent a **kidney transplant**. Since then, like all transplant patients at SIUT, he continues to receive free medication to remain healthy.

Cost of **Jan Mohammad's** treatment: **Rs 2.2 million**  
Ongoing medication costs: **Rs 100,000 per year**  
Expenses borne by Jan Mohammad: **Rs 0**

To make a **donation** or to give your **Zakat to SIUT**, log on to **www.siut.org** or call **111-DONATE (111-366-283)**.
