## 2 - INSTRUCTIONS TO APPLICANTS

### 1) Application Procedure:

Applications (refer to Page No. 6), along with all annexures, must be duly signed by the authorized signatory of the applicant. Original documents must be submitted; the Procuring Agency (SIUT) may request copies if required.

### 2) Applicants' Eligibility for Participation:

Eligible applicants include all Manufacturers, Importers, and Distributors registered or incorporated in Pakistan, regardless of the nationality of their owners or professional staff.

All interested firms may participate in the Pre-qualification process, provided that:

- They are not blacklisted or debarred by any government, semi-government, or autonomous body;
- They fulfill the requirements of Mandatory Section. Refer "Eligibility Criteria – Mandatory Section".

### 3) Cost of Application:

Applicants shall bear all the costs associated with the preparation and submission of their application. The Procuring Agency shall not be responsible for these costs under any circumstances, regardless of the outcome of the Pre-qualification process.

### 4) Documents Establishing Qualification of the Applicants & Quoted Products:

The Evaluation process shall consist of Mandatory Criteria, Eligibility Evaluation, and Product Evaluation stages.

- Applicants must qualify each stage by submitting the relevant documents as specified in the PQ Documents.
- Product evaluation shall be based on the prescribed criteria and minimum passing marks.
- Only qualified Applicants and products shall be eligible to participate in the tender process.

Please refer to Annexures D1 and D2 for the specific formats and the documentation requirements.

### 5) Sealing and Marking of Applications:

Applicants shall enclose original and required copies in sealed envelope, which shall;

- a. Bear the name and address of the applicants.
- b. Bear specific identification of this Pre-qualification process as mentioned in the Notice for Pre-qualification or in the instructions.
- c. If the envelope is not sealed and marked as required, the Procuring Agency will assume no responsibility for misplacement of application.
- d. **Softcopy of all required documents mentioned in "Mandatory Section" must be given in Separate USB mandatorily on the given editable (Excel) format.**

**6) Clarification and Modification of Documents:**

Manufacturers, Importers and Distributors, who have obtained documents, may request for clarification of contents of the Pre-qualification document in writing, and response to such queries shall be made in writing within three working days, provided that the same are received at least five calendar days prior to the date of opening of applications.

**7) Addendum**

At any time prior to the deadline for submission of applications, the Procuring Agency may amend the Pre-qualification Documents by issuing an addendum. Any such addendum shall be communicated in writing to all participants who have obtained the Pre-qualification documents and shall be binding on them.

**8) Deadline for Submission of Documents**

The Procuring Agency may, at its discretion extend the deadline for the submission of documents by amending the Pre-qualification documents, and in which case all rights and obligations of the Procuring Agency and the applicants shall be subjected to the new extended deadlines.

**9) Evaluation:**

The Procuring Agency reserves the right to waive any minor deviations, provided such deviations do not materially affect the applicant's qualifications or capability to perform the contract, nor alter the fundamental requirements of the Pre-qualification documents.

**10) Dead Line for Submission of Applications:**

Applications shall be received by the Procuring Agency at the address not later than date & time mentioned in the Notice for Pre-qualification or in the instructions to applicants.

**11) Late Application:**

Applications received after the deadline specified in the Invitation for Pre-qualification shall not be entertained and will be returned unopened.

**12) Verification of Pre-qualification Information:**

Verification of the information provided by the applicants may be made by the procurement agency (SIUT), if required. In case the information is found to be wrong or incorrect in any material way or bidder is found to be lacking in the capability or resources to successfully perform the contract, then it shall not be prequalified.

Any representative(s) of SIUT may visit manufacturing and storage facility of the applicant situated anywhere in Pakistan. The applicant will facilitate the visit in all respects and nominate suitable person for this purpose.
