

SIUT establishes Corona Virus treatment facilities "All Free with Dignity"

SIUT has always been at the forefront in national disasters. During the great earthquake of 2005 seven medical camps were established at different locations and a 12 machine dialysis center was established at Abbas Hospital in Muzafarabad which is still operational and providing dialysis facilities to the patients of the area. During the floods in 2010, SIUT established 5 centers across Pakistan to help the worst affected population of the country.

The Nation faces another disaster where Corona Virus (COVID-19) has infected over 2000 with 31 deaths till 1st April 2020. SIUT established a Corona Virus Clinic on the 18th of March 2020 for screening of the public. Daily 200-250 people are screened and examined for symptoms of Corona Virus. A detailed history of travel and contact and clinical parameters are tested. Those found with travel history, contact with infected persons and symptoms suggestive of COVID-19 infection are tested by PCR. Thus far over 3000 people have been screened and 18 were positive.

SIUT established a 50 bedded Corona Isolation Ward to admit patients with non-severe symptoms and a 16 bedded Corona ICU with ventilators to treat the patients with severe disease. Before this a 6 bedded ICU was established specifically for transplant patient who being immunocompromised are at high risk of COVID-19 infection and a 8 bedded isolation ward for dialysis patient. In view of the positive patients SIUT has developed its own treatment protocol where the cost for each patient till recovery will exceed over 5 lakhs. The Corona Clinic opens daily from 8 – 11 pm, the laboratory tests samples round the clock. SIUT routine clinical services for dialysis and transplant patients continue as routine. ■

SIUT establishes robotic and three dimensional laparoscopic theatre

SIUT opened its robotic facility along with three dimensional laparoscopic unit to provide state of the art surgical facilities for its patients. Mr. Bashir Dawood donated Rs: 450 million for the units construction. The first facility of its kind in the public section will provide relief to patients with less pain, low risk of infection, shorter hospital stay and quick recovery time. The unit is dedicated to late Mr. Kassim Parekh, a renowned banker and close friend of the Dawood family. The department was innagurated by Mrs Zubeda Kassim Parekh. Mr. Bashir Dawood lauded the dedication and professional excellence of SIUT staff and doctors. He also pledged a donation of Rs. one Billion for the SIUT Mariyam Bashir Dawood Children and Cardiac Hospital. ■

World Kidney Day

SIUT observed the World Kidney Day by organizing an open house for screening the general public for kidney diseases. The theme for this year was "Kidney health for everyone everywhere". Over 450 people were screened at SIUT where blood pressure, BMI, blood and urine tests and ultrasound of kidneys was done in every person. Lectures were given to the attendees on risk factors for kidney disease and their prevention. All were given dietary and medical consults. ■

Breast Cancer Services at SIUT

Dr. Azra Pechuho with Dr. Adib Rizvi, Ms. Zubaida Mustafa and SIUT team

SIUT continues to expand its services according to the need of the patients. Starting as a Urology Ward in 1971 it has expanded its services for Nephrology, Transplantation, Gastroenterology, Liver Disease and Urological Cancers. Keeping the need of the population in mind and growing number of breast cancer patients, SIUT has started breast cancer treatment facilities. In Pakistan 90,000 new cases are diagnosed yearly and unfortunately 40,000 die of the disease. The Breast Cancer Ward was inaugurated by The Health Minister Dr. Azra Pechuho on 20th January 2020. Dr. Bushra Sheerazi, Incharge of the ward along with Prof. Rizvi showed various sections of the services which include surgery, radiation therapy and anti-cancer drug therapy. Currently the Breast Cancer Clinic sees 80-90 patients in every clinic. All these services are provided "Free with Dignity". ■
